

## Resources Questionnaire

Each of us needs a hand at some point in our lives – a time when a gift of caring can make a tremendous difference. Each of us has something we can offer. Our lives are enriched and our community is strengthened when we reach out to one another.

The Caring Committee coordinates outreach to those in need – but this can only be done with your support.

Please fill out this form and put it in the collection basket, bring it to the Office or mail it. Let us put into action our vow to *provide compassionate service to each other*.

*Please check what you are able or willing to do:*
